**Washington DC, June 25, 2010** — John J. Bisch, Chief Financial Officer and Chief Operating Officer, has been promoted to Principal at Hickok Cole Architects. Mr. Bisch joined the firm in 1991. Recognizing that the financial success of the firm begins at the project level, he works closely with every project team, while simultaneously managing the daily operations of the Firm. Mr. Bisch received his Bachelor of Arts degree in Business Administration from the George Washington University in 1979. His foundation in finance, business operations aptitude, and 30 years of management of architectural firms have all combined to create his unique breadth of experience in the business of architecture.
